

Blade/Dri-Cote Lubricant

Product # 00026

DESCRIPTION

- Prevents resin buildup and reduces blade cleanings.
- Extends the overall life of blades and bits by up to 3 times.
- More than doubles the time between re-sharpenings.
- Contains NO silicone or petroleum oil.
- Will not stain wood or interfere with glues and finishes.
- Reduces cutting friction by reducing saw or drill motor drag by up to 25%.
- Increases productivity by creating less downtime for saw blade changeovers.
- Works equally well on steel, carbide, stellite, and diamond-tipped cutting blades.

TECHNICAL SPECIFICATIONS

Product #	00026
Format	10.75 oz
