

Cardboard Sealing Tape

Product # 3024855

DESCRIPTION

Acrylic rubber adhesive

High quality box sealing tape with consistent performance. Easy to unwind. Suitable for hard-to-stick-to surfaces and cold temperature applications. For general purpose noncritical packaging jobs including lightweight boxes exposed to minimal distribution hazard. The adhesive tape has a pressure-sensitive hot melt synthetic rubber resin on a 1.0 mil polypropylene film backing.

ADVANTAGES AND BENEFITS

- Box sealing tape that can be custom printed to provide security and/or branding - A carton sealing tape that provides consistent high-quality performance - Easy unwind - Suitable for hard-to-stick to surfaces and low temperature applications - Easy handling - Smooth dispensing - Resists abrasion, moisture, chemicals and scuffing for long-lasting performance

TECHNICAL SPECIFICATIONS

Product #	3024855
Use	Packaging
Length	100 m
Color	Clear
Type	Adhesive tapes
Brand	3M
Width	2 in

APPLICATION

Suggested Applications: - Carton sealing tape, box sealing tape, and box closing tape - Suitable for hard-to-stick to surfaces and low temperature applications - Can be custom printed for security and/or branding - General purpose for industrial, food and beverage, medical, pharmaceutical, paper, print, and electronics packing applications and for distribution centres
