

3M Organic Vapor Cartridge, 6001

Product # 9606001

DESCRIPTION

Replacement Cartridge for 6000, 6500QL and 7500 Series

Use the 3M Organic Vapor Cartridge 6001 in a variety of workplace applications, including petrochemical, chemical manufacturing, construction, transportation and electronics. When properly fitted, helps provide respiratory protection from certain organic vapors at concentrations up to 10 times the Permissible Exposure Limit (PEL) with half facepieces or 50 times PEL with full facepieces. Full facepieces must be quantitatively fit tested to claim assigned protection factor above 10 in negative pressure mode. Not for use in environments that are Immediately Dangerous to Life or Health (IDLH).

ADVANTAGES AND BENEFITS

- Replacement cartridge for Half-face Respirator 6000, 6500QL and 7500 series.
- Protects against some organic vapors from spray painting and pesticide spraying.
- When properly fitted, cartridge helps provide respiratory protection from certain organic vapors - NIOSH approved

Product # 9605071

Box of 10

Requires ONE of the following products

Half-Face Siliconed Respirator Series 7500

OR

Half-Face Respirator 6500QL Series

TECHNICAL SPECIFICATIONS

Product #	9606001
Protection	Against Certain Oily Particles
Type	Half-Face Respirators and Accessories
Brand	3M

APPLICATION

Use in a variety of workplace applications, including petrochemical, chemical manufacturing, pesticide spraying, construction, transportation and electronics. When properly fitted, helps provide respiratory protection from certain organic vapors at concentrations up to 10 times the Permissible Exposure Limit (PEL) with half facepieces or 50 times PEL with full facepieces. Full facepieces must be quantitatively fit tested to claim assigned protection factor above 10 in negative pressure mode. Please refer to specific provincial regulation for appropriate assigned protection factors for full face respirators. Not for use in environments that are immediately dangerous to life or health (IDLH).

IMPORTANT INFORMATION

- This cartridge is compatible with 6000, 6500QL and 7500 series half-face respirators. - Recognized protection against organic vapors such as those from spray painting, according to NIOSH TC-23C-1769 rules. - Not suitable for use in environments that are Immediately Dangerous to Life or Health (IDLH)
