

## Windshield Locking Strip Tool

**Product #** AULS758

### DESCRIPTION

Two double end tips will fit most applications. The unique design allows the tip to swivel 90° in either direction to work where others will not. Select the tip that most closely fits the locking strip. Insert the tip into the rubber gasket and thread the locking strip into the eyelet of the tool. Now, work the tool around the windshield while feeding the locking strip into the eyelet.
