

## Peek-O Revolving Door Viewer

**Product #** CDPH595

### DESCRIPTION

#### For doors 1" to 2" in thickness

The Peek-O units are manufactured in all standard finishes. They have been made in the United States for over 50 years.

Peek-O is approved by Board of Standards and Appeals for use in New York City under Cal. No. 663-67-SM.

These units are for doors 1" to 2" in thickness.

Peek-O is one of those pride-of-ownership details home buyers remember and appreciate. It's the best door viewer available.

- Engineered to provide a full 140 degree of visibility.
- Revolves to provide an extra measure of safety; a 40 degree extra view.
- Stamped brass components.
- Finest crystal glass lenses.
- Enhances front door hardware.
