

## 90° Lap Joint Clamp

**Product #** GMGC190

### DESCRIPTION

#### For mall glass

The perfect solution for heavy storefront glass panels, designed to be installed only at the top or bottom of the glass panels. Its transparency allows to discreetly connect panels.

It's the optimal solution for an installation to create a corner junction between two perpendicular glass panels.

### ADVANTAGES AND BENEFITS

- Almost invisible clear acrylic - Ideal for connecting two glass panels
