

Flange Cover For Baluster Post

Product # HR14051103812

DESCRIPTION

Trim ring without restraining gasket

Stainless steel trim piece for a round baluster with a joint at its base. This trim will complete your baluster post installations with a touch of elegance and will ensure harmony with more traditional projects.

ADVANTAGES AND BENEFITS

Ideal for architectural projects such as the installation of stairs and railings with cables, rods or glass. A strand of glue during assembly helps to solidify and better secure the connection between the components.
