

Base for Tubular Balusters

Product # HR14094203800

DESCRIPTION

Adhesive

Stainless steel bottom flange for round posts. Its design allows a seamless installation.

ADVANTAGES AND BENEFITS

Ideal for architectural projects such as staircases and railings made of glass, cable or square tubes. A glue strand during assembly helps to solidify and better secure the connection between the components. Can be covered with a round trim to finish railing projects with a touch of elegance.
