

Stainless Steel Hanger Bolt

Product # HS383PRVP

Length 3 in

Screw Size 3/8

Packaging format Box of 25

DESCRIPTION

For Stand-off Post

Hanger bolts have wood screw threads at one end, and machine threads at the other. Screw one end into wood, and the exposed end provides a machine threaded stud.

ADVANTAGES AND BENEFITS

Stainless steel hanger bolts provide high strength and load-bearing capacity. Hanger bolts made from stainless steel are resistant to wear and tear, making them suitable for long-term use.
