

## 90° Square Post-to-Glass Pool Gate Latch

**Product #** PGLSQPG170

### DESCRIPTION

**Suitable for several thicknesses of glass.**

This stop is designed to stop the door when it reaches the wall or the baluster post. Ideal for making the corner junction of a square pole or wall to a glass panel in a pool area.

The magnetic latch further secures the glass door lock.

### ADVANTAGES AND BENEFITS

- Gives an exceptional clear view in exterior spaces - Ideal for use on pool gates - Several installation configurations available - Weatherproof

### TECHNICAL SPECIFICATIONS

<b>Product #</b>	PGLSQPG170
<b>Type of Mounting</b>	Wall Mount, Post Mount
<b>Safety Glass Thickness</b>	10 to 12 mm
<b>Finish</b>	Stainless Steel
<b>Height</b>	100 mm
<b>Width</b>	30 mm
<b>Length</b>	100 mm
<b>Material</b>	Stainless Steel 316
<b>Glass Drilling</b>	Required
<b>Recommended Door Width</b>	Max. 1 000 mm
<b>Recommended Location Usage</b>	Interior, Exterior
<b>Mounting Side</b>	Reversible
<b>Product Type</b>	Bolt
<b>Milling C/C</b>	66 mm
<b>Milling Diameter</b>	16 mm
<b>Baluster Post Type</b>	Square Tube

### APPLICATION

- Designed to join perpendicularly between a glass panel and a flat substrate - Designed for all glass railing projects - Installation on square post or wall, and on glass - Drilling of the glass required for installation

### INCLUDED PRODUCT(S)

1 90° corner latch for mounting on a wall or square post Mounting hardware

---

## IMPORTANT INFORMATION

Using a gravity closing hinge along with magnetic latches maximizes security and reduces water access. These components help prevent drowning but do not replace close surveillance.

## DISCLAIMER

This illustration is provided for visual reference only. Actual product may differ from the illustration. For safety purposes, use tempered glass. The glass must be shaped according to the section plane provided in the box. Always set the product in a suitable material. Never exceed the load or maximum size recommended by the manufacturer. Order hardware before starting the job. The manufacturer reserves the right to change product and information without notice. Always use the instructions inside the package.
