

Riveo Plus Square Standard Pivot Hinge

Product # SH2SQ360900

Finish Matte Black

DESCRIPTION

This 360° pivot hinge is reversible for top or bottom installation, allowing for the creation of full floor-to-ceiling doors. Pivot hinges can be inset from the wall to provide better clearance for towel racks and other accessories. Riveo Plus features a square style, giving your shower a clean and modern look.

ADVANTAGES AND BENEFITS

360° rotation

IMPORTANT INFORMATION

For safety purposes, use tempered glass. The glass must be shaped according to the section plane in the box. Always set the product in a suitable material. Never exceed the load or maximum size recommended by the manufacturer. Always order hardware before starting the job. The manufacturer reserves the right to change product and information without notice. Always follow the instruction manual provided in the packaging. The drawings and technical instructions show mounting examples using hardware from different manufacturers. Richelieu expressly declines all responsibility for any design or construction, whether based on these documents or not. Installation must be done by qualified personnel.

DISCLAIMER

The preceding information as well as any technical recommendation given in writing, verbally or based on tests are provided to the best of our knowledge. However, they are non-binding recommendations only and do not affect your responsibility to determine the correctness of given recommendations and suitability of the product for your particular purposes. The application, use or processing of our products as well as the production of products based on our technical recommendations are beyond our control and therefore fall exclusively in your area of responsibility. Sales of our products are subject to our most recent General Sales and Delivery Conditions. Please note that Richelieu will not accept any returns or claims for unpackaged products.
