IMPORTANT INFORMATION

This lock is for a European cylinder (30-30). Privacy cylinder sold separately. Due to the wide variety of lock and key possibilities, Richelieu does not carry entrance lock cylinders. We recommend consulting a locksmith for an entrance or passage cylinder for your lock. Can be used with lever handles on both sides. Note: Picture for visual reference only; actual product may vary from that shown in photo. Be sure to order hardware before beginning fabrication or installation work. Always use the instructions inside the packaging provided by the manufacturer, as the manufacturer reserves the right to make technical changes or modify information without prior notice. All technical drawings and documents contain examples for the assembly of different suppliers' hardware. The customer cannot make any claims based on the use of these documents. No responsibility is assumed for design details relating to a construction or project. At all times, execution and installation must be undertaken by qualified persons. Never exceed the maximum weight or the maximum dimensions recommended by the manufacturer. Always be sure to install the product correctly using the appropriate fixation for your material. Use a dry cloth to remove fragments, dust, and residue (wood and/or aluminum sawdust) from rails before the installation of the hangers. Never use any spray lubricant on these products.
