

# Universal Replacement Hinge Kit for Aluminum Store Front Doors

## **Finish**

Aluminum Bronze

# **DESCRIPTION**

- 1/8 in (3.18 mm) vertical adjustment
- Completely machined
- Self-lubricating pin rotates on anti-friction bearings for smooth door operation
- Sealed hinge pin is within the housing and cannot be removed, providing maximum security
- Security (one way) fasteners included
- Universal fit (non-handed)

### **ADVANTAGES AND BENEFITS**

Installs quickly and easily. Hinge pin adjusts, moving the door up or down at any time without removing the hinges.
